“VOLUNTEERISM - THE KEY TO SUCCESS”

~~~~~ Published by NO-VEL 159 — Post Adjutant ~~~~~

### COMMANDER'S MESSAGE

I would like to welcome all our members back! We're getting busy Thursday, Friday and Saturdays with meals and entertainment. Help Chef keep costs down by placing your meal order on Friday when making reservations. Mondays are still strong; the Queen is building and the wheel doing very well. Please show your card and sign in all guests at the bar, we are looking into this to protect our Legion. We were informed during an inspection we didn't sign the inspector in.

I would like to thank Peter Skentzos for his work as Finance Officer and welcome Andrew Pepper as new Finance Officer.

Norm is always on the hunt for new people to join the Honor Guard. If you would like to get involved, seek out Norm or see Peter in the office.

We now have a Legion Cruisers Chapter, it's the 7<sup>th</sup> in the country. Old cars, convertibles and specialty vehicles are welcomed. This is OPEN TO THE PUBLIC and meets over breakfast here at the Post at 9am the 4<sup>th</sup> Saturday of each month. Please keep the parking spots around the legion open for them as they will be bringing in cars. Contact Rod Dimon for more information on joining or leave your name and number in the office.

Our spring work detail is March 2 at 11:00am to spruce up our Legion. Help us keep our maintenance and repair costs down and volunteer. Signup sheet is on the front counter.

Want to be a duty officer? If interested, please see Larry Kalb or the office.

Our 2<sup>nd</sup> blood drive of the year is March 11<sup>th</sup>, 11am till 3pm. Please consider donating and you could help save a life! Our hope is to hit the 20 pints mark with everyone back.

Another credit card machine will be added to speed up payments during meals and help with sales in office during the day.

Thanks to the Auxiliary and Sons for all their help: setting up and breaking down all the holiday decorations, decorating for all the parties and pitching in whenever help is needed.

For God and Country, Howard Van Nostrand, Commander

### CHAPLAIN

The Post was buzzing with activity from pre-holidays to today! This includes our Officers, Administration and Chapters to include the new Legion Cruisers! With this action, comes the positive expectations of another successful year. Regardless of our endurance, positive attitude, and game plans, we can have the tendency to forget to nourish ourselves, we deplete our energy and become run down, or in extremes – burned out. What follows are a few things we can do, without totally shutting down that can pull us up from our malfunctions and other challenges. Take as needed.

Feed your body and mind: This is so simple I almost forgot to put it on the list to keep healthy and mentally sharp we need food and drink – don't be too busy to do this. Our brains on food and something to wash it down helps to elevate our mood and energy level.

Forgive ourselves and others. I call this cutting slack, and the shrinks call it putting principles above personalities. Doing this eliminates the build up of negative energies that slow us down and can carry over into days. By cutting slack, we can stay on our schedule and regain positive energy. How much slack??? I had a Senior Drill Sergeant that cut nine yards of slack, while remaining Number One. Works for me. Think about solutions when you and your team hit the wall. Do not get locked in on challenge's drama. Instead think about an outcome you would want to see and take charge of the way it makes you feel. Your mind and soul thrive upon the positive energies problem solving creates. Take your positive energy and – take a nature break! Remember where you live and why – hit the beach, go to the jetty. Let the sounds, smells, and feelings of nature's gulf heal, sooth, and energize you. DO you still get that special feeling when you can watch dolphins play? Me too. Well, let's throw in the importance of humor and laughter- even though it doesn't seem too funny at the time.

Finally (preaching to the choir time)- Volunteer! BY giving time and our resources to others, we create an energy of unconditional love and compassion and restores any lost gratitude. There are many ways we can bring more light into the world that are reflections of the Legion's Four Pillars. CAUTION: These are simple but sometimes they are not easy! Another year and thank you for bringing me on board. – **Rod Dimon, Chaplain**

## SONS MESSAGE

On behalf of the Sons I want to wish everyone a happy and healthy New Year. Also we need to thank all of our volunteers who helped make the dance Saturday Jan. 5th with the Gold Tones a huge success. Thank You ! The Gold Tones will be back on March 9th. Tickets will be on sale sometime in the first part of Feb. Also Edie and the Edsels will be at the Legion March 23rd. Both events will be open to the public.

The Sons also want to recognize Larry Kalb who works very hard at all the Legion functions. Larry holds dual memberships with the Sons as first Vice and our legion advisor and he is also a 20 plus year veteran of the Air Force. So if that isn't enough. He is also a member of the Legion as their Second Vice Commander. He and his wife Jean needless to say are very active with our entire Legion family. When You See Larry and Jean be sure to thank them for all that they are doing for our Legion family.

In case you blinked, it is a new year! Don't forget to renew your membership with the Sons. Just \$30.00 a year gives all of us the privilege to join the Legion Post. Tell your friends to join up so they can enjoy our great drink prices at the bar. Our memberships help support our local Squadron and Post as well as the state detachment and the national. So tell all your friends to join! WE NEED YOUR MEMBERSHIP TO HELP SUPPORT OUR VETERANS! For God and Country, **Gary Ley, Commander, Sons of the American Legion**

## AUXILIARY

As we start 2019 we are excited to be planning for our 100<sup>th</sup> Anniversary of the American Legion Auxiliary. We hope to have several opportunities to showcase our Unit. The Post Committee planning the events has an Auxiliary member who is helping. We will keep you posted.

We have completed several of our programs and our Treasurer has estimated that we have donated approximately \$12,500 to Veterans, Children and Community since July 2018 when our fiscal year began. We are working on several new endeavors. We have established a couple committees to investigate the feasibility of some fundraisers. The chairs will report back to us with their plans so we can determine which ideas will best fit our needs.

We have started two new initiatives. The first is to collect children's books for elementary school kids. The chair of this committee is working with staff from a school with many kids who have many needs. Books can be brought to the Post. They can be new or used. We hope to put a book in the hands of as many children as possible.

Our second initiative is collecting items for homeless Vets. We have an opportunity to work with the DAV Auxiliary on this project. We will be collecting small hotel size items or travel size items. They have requested shampoo, soap, toothpaste, toothbrushes, wash clothes, snack foods like slim jims and crackers and cheese. The DAV will distribute these items to those in need.

Thanks to all of you who have supported our Dinner Dances so far. Our next event will be our Valentine Dinner Dance on February 9<sup>th</sup>. Please come join us for another great time. **In the Spirit of Service, Donna Ley, President**
